

Cancer Support Community
Greater Philadelphia
is proud to announce
Kid, Teen and Parent Support
are starting March 2018.

What is it?

Kid Support™ and Teen Support are peer support groups for kids who have a parent, grandparent, other family member or friend with cancer (either in treatment or post-treatment), or for kids who have cancer themselves.

How does it work?

These FREE multi week groups offer kids ages 4-17 an opportunity to make friends and learn skills to help them cope when cancer is in their lives. Each week we talk about something different with activities, games and projects.

A Parent Group coincides with
Kid & Teen Support.
