

Cancer Support Community
Greater Philadelphia
presents
Kid, Teen and Parent Support Groups
Starting Tuesday, March 3, 2020

What is it?

Kid Support™ and Teen Support are FREE peer support groups for kids ages 4-17 who have a parent, grandparent, other family member or friend with cancer (either in treatment or post-treatment), or for kids who have cancer themselves.

How does it work?

These 10 week groups offer kids an opportunity to learn communication skills, relaxation techniques and talk about feelings when cancer is in their lives. A Parent Group coincides with Kid & Teen Support.
