The events surrounding COVID-19 created an unprecedented set of challenges for our community. We did our part and stayed socially distant to protect each other. Starting this summer, it is our hope that we can continue to support members online alongside our members who are yearning to be in-person. Unlike March 2020 when we moved online, in-person programs will begin gradually. We strive to find a happy balance between virtual and in-person programs that works for everyone.

*Remember to refer to our FAQ about visiting in person. If you have any questions, always feel free to check with a staff member.

***Writing for Health & Wellness**

In this writing class, incorporating techniques from journaling and expressive writing, you will have the opportunity to write and share your words with other people who understand the demands of a cancer experience. This is NOT about becoming a great writer; it's about using writing as a way to deal with and heal from your own cancer experience, and doing that with other people who will really "get" what you're writing and saying. No writing experience or expertise is necessary.

Starting this summer, it is our hope that we can continue to support members online alongside our members who are yearning to be in-person. We are excited to announce that starting on Monday, June 14th our program staff will be onsite at Ridgeland Mansion and Gilda's Club on a limited basis. Unlike March 2020, in-person opportunities will begin gradually. We strive to find a happy balance between virtual & in-person.

In anticipation of addressing questions, we created a list of frequently asked questions. We hope you find an answer to your question(s) below. If not, we are available to answer individual questions.

Frequently Asked Questions

Will masks be required?

We recognize that many of our members have compromised immune systems and to ensure everyone's safety, masks are required when on premise at all Cancer Support Community Greater Philadelphia locations. Regardless of individual vaccination status.

What precautions is CSCGP implementing for my safety?

CSCGP requires individuals to comply with PA Mask Mandates, CDC guidelines regarding social distancing, avoiding large crowds, disinfecting high touch surfaces daily and encouraging everyone to obtain a vaccination. CSCGP will continue with virtual programming as well as limiting in-person attendance and the number of in-person opportunities. Members will have access to bleach wipes, disinfectant, hand sanitizer, etc., to clean equipment before and after use.

Are you requiring that all individuals on-site show proof of vaccination?

No, however CSCGP encourages all employees, volunteers and members to obtain a vaccination. Attending in-person events at CSCGP is a family decision made after careful consideration of the risks, current conditions in our community, and other factors you deem relevant and important. If anyone needs assistance locating a COVID-19 vaccination, please contact any program staff member.

Will you be offering programs outdoors and how will I know if it is outdoors?

Outdoor spaces are available for members to meet. Activities that do not require technology can meet outside, weather permitting. Please call the morning of to confirm location.

Will you be requiring temperature checks and hand sanitizer upon entering the building?

Temperature checks will not be required however we do ask everyone to use hand sanitizer upon entering the building.

What about in-person support / networking group?

All active support and networking groups will remain virtual. As the need arises, CSCGP will create additional support groups to support individuals that are able/interested in meeting in-person.

How will I know if a program is available in person or online?

In-person programs will have a (R) or (G) next to their name on the calendar. (R) represents events that will take place at Ridgeland Mansion and (G) signifies events at Gilda's Club.

What does 'hybrid' mean? Why is there an (H) next to a program?

(H) or 'Hybrid' signifies that this program is being offered simultaneously to individuals' onsite and online. Members have the choice of attending live or from the comfort of their home.

What about my support group? I live too far from both locations.

All active support and networking groups will remain virtual. Any changes to these groups will disrupt group dynamics and risk excluding individuals. As the need arises, CSCGP will create additional support groups to support individuals that are able/interested in meeting in-person.

Half the attendees in my support group want to meet in person; can our group meet in a hybrid format?

Ideally, it would be wonderful if individuals could chose to attend either live or online depending on their situation on any given day. However, best practices for support groups discourages the use of hybrid groups for a variety of reasons, including negative influences to group dynamics, imbalances of power and lastly the additional mental load. Those attending virtually will miss additional opportunities to form relationships with other attendees and the facilitator.

Will the kitchen be available for refreshments?

Kitchen is open for water, coffee, tea & drinks. We are not planning any programming that includes food.
