

Camp KIDS is a free day camp for members of Cancer Support Community Greater Philadelphia. Camp is 9:30am-3:30pm. We have all lived with Covid 19 for years now and know of its persistence. We all understand the importance of vaccinations, wearing masks and keeping our hands clean. With that said, CSCGP will be offering an in person camp this summer. Activities will be a mix of indoor and outdoor activities. Masks will be encouraged to be worn during inside activities. Hand sanitizer and our outside hand washing station will be set up.

We are very happy to bring back lunches to camp. We have area companies that come out and cook for our campers. Menus will be shared with campers at a later date.

There are 13 days of Camp KIDS being offered this summer including a day of Teen Camp and an evening Family Camp. There is no limit to the number of days to sign up. **To register campers and counselors, complete pages 4-7 of this Camp KIDS Registration form and return to Christina@cancersupportphiladelphia.org**
